PROFESSIONAL EXPERIENCE

VINTHERA VC — **Berlin, Germany**
Associate — **11/2025 - 06/2026**
Analyst — **02/2025 - 11/2025**
Growth fund investing in Infrastructure AI, Cyber, Deep Tech, and Blockchain

- Drove $20M first close within 8 months supporting fundraising strategy and LP-related operations.
- Sourced and diligenced fund-of-funds and growth-stage opportunities, resulting in total commitments of $15M across 4 investments and 2 LPs co-investments.
- Managed and tracked $100M+ GP's family office venture portfolio, implementing a new digital investment management system through Claude.
- Led incubation of opportunities within GP's family office, consulting founders on GTM, fundraising, strategy, and operations.

FOUNDAMENTAL VC — **Berlin, Germany**
Analyst — **01/2024 - 11/2024**
Early-stage fund investing globally in Deep Tech

- Played a key role in deploying over $3 million in investments across diverse global markets, engaging in diligence, and presentation of 20+ opportunities at IC.
- Supported thesis research for new verticals, leading sourcing and first calls with founders in emerging markets.

VANILLA STEEL — **Berlin, Germany**
Founder's Associate — **05/2023 - 10/2023**
Category winning marketplace in the European steel industry

- Managed investor relations and board communications, playing a crucial role in Series A raise.
- Designed and rolled out a data driven initiative, building and maintaining dashboards to connect Sales and Ops data, providing real-time visibility on performance enabling a ~10% uplift in revenue generation.
- Supported founders in the launch of a new trading business line, which rapidly grew to 50% of revenue.

PECTUS — **Berlin, Germany**
Venture Development Associate (4 months internship) — **05/2022 - 08/2022**
Fintech stealth startup, backed by Picus Capital

- Led GTM initiatives, implementing detailed sales processes, managing the transition to a new CRM and Payment Processing Platform, securing 20 clients, and establishing 3 strategic partnerships.
- Led initial screening for business development and tech candidates, facilitating hiring and onboarding of 5 engineers and 3 BDRs.

ACCENTURE — **Milan, Italy**
Visiting Analyst (3 months internship) — **06/2020 - 08/2020**

- Worked on 3 projects across FMCG, Banking, and Industrials, engaging in industry, competitive, and company analysis, collaborating in the design and implementation of new solutions and change management activities.
